Dear Father

Just a few words to you
that we the Club of the Sacred Heart
might - of Columbus have heard that
New Father Lamer is going to leave this
reserve. And the Club is asking you if
you please could let New Father Lamer
stay in our reserve. And we are afraid our
Club might not go on. And we are doing
very good work at present. We have got
most of our fellow Indians coming to church
on Sundays now. New Father Lamer is doing
a good work for the Indians here. And also
it's not only the Club is asking you most
of the Indians. And the Club is fighting

Hard we have some bad ones yet to get -
 And we will pray to God to help us to get them
 And we are scared if our Club dies out
 we will lose them all again they wont
 come to church. Before Rev Father Lamer came
 there was very few came to church and now
 more than half of the reserve are at church
 on Sundays and again we ask you to spare
 us Rev Father Lamer to stay with us we have
 quite a few yet - that's fighting against
 our club. And also we have heard that some
 Body from here as been sending you some
 reports to you Father about - Rev Father
 Lamer that's not true because the ones
 that dont like to come to mass on Sundays
 that's the ones doing it - And that's all we
 ask of you Father.

We will pray to God to take away our
fellow Indians from the Devil
May God helps us.

That's all Father

I remain your faithful
Christian

Mr Ben Cook

President of the Club.

Rev Father I would like if I could
see you person some time after
